

HELLO! I'M MS. MUELLER

Welcome to 5th Grade!! We've got an exciting year planned ahead of us. I'm looking forward to the adventure!

In this classroom, students will be challenged daily to think outside the box and reach their highest potential. My goal is to create a classroom atmosphere that engages students and increases their desire to learn. Students will work together to achieve success.

Additionally, I am a firm believer in strong communication. Please know that I am always available when class is not in session and look forward to developing relationships with each of you. Please take a look at the class syllabus for more insight into the coming year.

I'm anxious to get this year started!

I am excited to continue my teaching career at Ogden International School of Chicago! I have taught in CPS for the past two years at a Gifted Center. I am thrilled to be bringing the knowledge I gained of challenging students to our class this year.

I graduated from Northeastern Illinois University in 2017 with a B.A. in Elementary Education and a minor in Teaching English as a Second Language.

Outside of school, I enjoy being active and playing soccer, basketball and golf, as well as, spending time with family.

about me
